

RELEASE OF RESPONSIBILITY, ASSUMPTION OF RISK AND WAIVER

Even those with experience around horses need to be reminded that despite the best efforts of horse owners, riders, stables staff and instructors, there are many risks inherent to working with and around horses. By their nature, horses have the propensity to behave in ways that may result in injury, harm or death to persons on or around them. Their reaction to such things as sounds, sudden movement and unfamiliar objects, persons and animals is unpredictable.

We also call to your attention the fact that people, by their careless, inattentive and/or negligent acts deliberate or accidentally, may contribute to harm to themselves or others.

WARNING: UNDER COLORADO LAW, AN EQUINE PROFESSIONAL IS NOT LIABLE FOR AN INJURY TO OR THE DEATH OF A PARTICIPANT IN EQUINE ACTIVITIES RESULTING FROM THE INHERENT RISKS OF EQUINE ACTIVITIES. SECTION 13-21-120, CO. REVISED STATUTES.

Please take the time to consider these issues carefully before signing below. We encourage questions about all safety issues.

Bearing the above admonition in mind, I hereby release and discharge, indemnify and hold harmless Poudre River Stables LLC, Karin Livingston, persons or entities acting on her behalf, and her successors and assigns, against all claims, demands and causes of action whatsoever, either in law or equity, relating to injury, disability, death or other harm, to person, property or both, arising from participation in and working around activities on Poudre River Stables property.
